To whom it may concern in TÚS

I would like to thank TÚS Offaly Local Development Company, for giving me the opportunity of working for you at, Cappagh Grove Ballinagar, for the last year. Before this I lost interest in gardening, and this has got me interested in it again, thanks to this opportunity. The work I did there was helped by, my sponsor Miss Susan Fiery and my supervisor Mr Kieran McEvoy, we all got together and had an estate meeting every Tuesday, in this we all put forward ideas for the estate, work to be completed, and came up with the combined outcome. These included a residential herb garden, flower hanging baskets, re-doing two flower beds inside the estate and three new large flower beds outside the estate. This combined with the everyday work, kept me very busy and the year went extremely quick, and I enjoyed every minute of the work.

Once again I would like to thank you and your organisation, for your trust in me by offering me this opportunity, I would not hesitate in advising any other person to avail of one of your courses in the future, your organisation does great work helping unemployed people get back some self worth and self esteem thank you.

Yours sincerely

Stephen Cox
